

In Response to COVID-19

In response to the government's announcement regarding COVID-19 situation, our restaurant was closed temporarily in order to prevent the spread of infection and to ensure both customers' and employees' safety. We would like to inform you that we decided to reopen from June 1st.

【Regarding breakfast serving】

■Breakfast will be served only to customers who ordered for breakfast at the time of booking. We will not accept additional breakfast reservation after the booking was made.

■We will serve breakfast as table order due to safety reasons. Please feel free to order as many dishes as you like. Even though it is not buffet, it is still "all-you-can-eat" breakfast.

【ご昼食】

Lunch will be served as a Prix Fixe course, with main dish to be chosen (meat or fish).

【カフェ】

Cafe is closed until further notice.

■Request to customers

Temperature measurement

Temperature will be measured at the entrance.
(Please note that we do not allow customers with temperature of over 37.5 degrees to enter.)

Hand disinfection

Hand disinfection at the entrance is required.

Masks and gloves wearing

All staff will wear masks and gloves.

Cash transactions

Cashier staff will use tray during payment transactions.

■ Measures taken by staff

Mask wearing and hand washing and sanitizing

The staff wear masks, often wash and sanitize their hands.

Temperature measurement

Staffs' body temperature is measured upon arrival at the office.

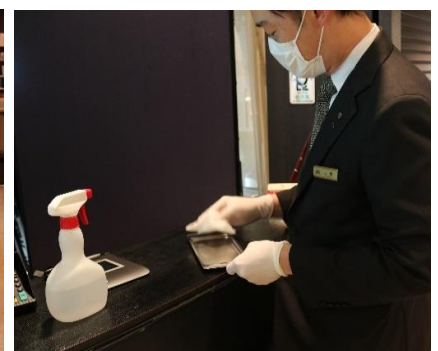

Arrangement of tables

We will arrange sufficient space between tables.

Sterilization and disinfection

We will perform thorough disinfection of the restaurant, including tables, chairs, trays, etc.
Hot water sterilization of tableware and cutlery (more than 80 degrees)

All staff will do their best to ensure safe stay.
Thank you for your understanding and cooperation.
